## Silver

Silver has held value for thousands of years. From silver bars, to silver jewelry, to silver coins; the precious metal has always been just that, precious. Silver, with all the shine and brilliance of gold, is highly valued, yet more affordable than its scarcer counterpart. Having strong foundations in myths, legends, and history, silver has helped shape human society into what it is today. Today, silver bullion, like silver bars and rounds, as well as silver coins, are highly sought after by stackers and collectors alike. With global silver numismatic icons like the U.S. Silver Eagle or the Chinese Silver Panda, artistry meets material. GovMint.com is the premier website to purchase these, and many other, immaculate pieces. Keep reading to check out our assortment of carefully curated silver products and to learn a bit more about the different reasons people from all walks of life purchase all things silver.
